"The glory of God is a human being fully alive!"

Theme of the Week – He cured many who suffered

The Gospel on Sunday tells us many things. In the first three verses of the Gospel, we see Jesus fulfil the need of Simon. His mother-in-law is sick and when Jesus arrives at the house, Simon tells him of this. Simon is worried about his mother-in-law and he turns to Jesus because he believes he can help; Jesus does by curing her. St Mark seems to be emphasising the purpose of Jesus' mission — to teach and to heal so that we might be free to serve God. We too need to look to healing people, not by curing them of their sickness like Jesus did but we can be a healing presence for someone going through a difficult time or a personal struggle.

In the next part of the Gospel we see something very similar but on a bigger scale. Many went to Jesus with their sick or who had demons and he cured them. In their hour of need, they turned to Jesus. And if we examine this part of the Gospel, it can resonate with our own lives. When we are in need who do you turn too? Now when the need is small such as needing some equipment or some guidance on what your homework might be, we may turn to a friend. When the needs are greater in having something to eat or buying a new item of clothing we turn to our parents. However, in the Gospel we see the greatest need for some. Their families are sick so they turn to Christ. Unfortunately, many of us in our lifetime may have experienced something similar and when do – with our greatest problems we turn to Christ and usually through prayer.

Let's now look at the second part of the Gospel, we learn more. Jesus the next day is found in prayer. Why is Jesus in prayer? Possibly in thanks to God? Possibly, asking God to help those in need? Jesus, in this moment, illustrates to us the importance of prayer and making time for it so we too can have a relationship with God. St Mark reveals to us a Christ who prays and is close to God, a compassionate Christ who works day and night at the tasks that has been assigned to him. Pope Francis has designated 2024 the year of prayer. Here his Holiness calls us to deepen our relationship with the Lord through prayer. ***“Prayer unites us; it makes us brothers and sisters. It is in prayer that our hearts find the strength not to be cold and insensitive in the face of injustice. In prayer, God keeps calling us, opening our hearts to charity.”*** Pope Francis

The last message in the Gospel we find is what Jesus goes on to do after prayer and here we can go to the letter of St Paul in the 2nd reading to seek the importance of this. St Paul writes ***‘I do not boast of preaching the gospel, since it is a duty which has been laid on me; ... and I still do this, for the sake of the gospel, to have a share in its blessings’***. St Paul acknowledges the duty on him to spread the Gospel and this is also reflected in Jesus and his ministry. Teaching the Good News was not to be restricted to those who knew him, to save the loved ones of those he knew, it was to be preached so all could hear. Jesus says ***‘Let us go elsewhere, to the neighbouring country towns, so that I can preach there too, because that is why I came.’*** Jesus came to serve God and to preach the Good News to all; he has given us the Good News! Rather than wait in our time of need to have a relationship with God, we too should serve one another with the Good News so others can celebrate and rejoice with God. We are reminded that the cure of a person, the setting free from sicknesses of the body and mind, is a freeing to serve others and God in a more complete way. We can emphasise this with one another with the value of daily prayer in our lives. Our lives need to be connected each day to God's love and from being connected, we too can follow in the footsteps of our Saviour and serve God.

He cured many who suffered

Weekly Reflections
4th February 2024

A reading from the Gospel of St Mark (1:29-39)

On leaving the synagogue, Jesus went with James and John straight to the house of Simon and Andrew. Now Simon's mother-in-law had gone to bed with fever, and they told him about her straightaway. He went to her, took her by the hand and helped her up. And the fever left her and she began to wait on them.

That evening, after sunset, they brought to him all who were sick and those who were possessed by devils. The whole town came crowding round the door, and he cured many who were suffering from diseases of one kind or another; he also cast out many devils, but he would not allow them to speak, because they knew who he was.

In the morning, long before dawn, he got up and left the house, and went off to a lonely place and prayed there. Simon and his companions set out in search of him, and when they found him they said, 'Everybody is looking for you.' He answered, 'Let us go elsewhere, to the neighbouring country towns, so that I can preach there too, because that is why I came.' And he went all through Galilee, preaching in their synagogues and casting out devils.

Prayer for the Week

Generous Father, you allow us to have a relationship with you through prayer and we thank you for the beautiful things you have given us. Remind us that you sent your son to serve so we too can follow his example. Teach us to give generously and to serve you by helping our brothers and sisters.

Amen.

Feast Day – St Josephine Bakhita 8th February

Josephine Bakhita was kidnapped and sold into slavery. She suffered years of abuse and torture. In 1883, she was sold to a family and two years later they moved to Italy. She became a nanny to a child and accompanied her to school in Venice run by the Canossian Sisters. She felt called to learn more about the Church and was baptized with the name Josephine Margaret. She remained in Italy and dedicated her life to assisting her community and teaching others to love God. She was known for her smile, gentleness and holiness. She even went on record saying, "If I were to meet the slave-traders who kidnapped me and even those who tortured me, I would kneel and kiss their hands". Josephine was:

Compassionate and loving

Day 1

Why do you think Simon turns to Jesus with his need? What does Simon think will be accomplished?

Why should we then try and help those who are sick and in need?

Day 2

Is your life founded on prayer (do you give prayer the importance it requires?)

Why do you think Pope Francis has given 2024 to the year of prayer?

Day 3

How can you deepen your relationship with God in prayer? In developing this relationship how too can you try and serve God as our Saviour taught us?

LUX Dive- A Residential Youth Retreat for Young People Years 7- 13

Students from School Years 7-13 are invited to the next residential youth weekend, LUX:Dive which is being run by NYMO.

For those who work with this age group this weekend is a great opportunity to encourage young people to come along and get involved. All the details are below. *To watch a promotional video and for more information please see:*

Lenten Fundraiser

During this period of Lent we not only mark traditionally by fasting and by other acts of penance, at St Joseph's we also give this period to fundraising in as many ways as possible to help support those who are less fortunate. This year money raised through fundraising will be donated to our school charities.

It would be great to have as many staff as possible leading on an event. I

If you wish to lead on an event please can you click on the link to take you to sharepoint and complete the word document with your event outlining:

If you can then create a poster and send on to me I will ensure it goes into tutor notices, newsletter and bulletin.

2024 is the Year of Prayer

The year 2025 is a Jubilee year in the Church for Pilgrims of Hope. As such, His Holiness, Pope Francis, has asked us to prepare for this by designating 2024 as the year of Prayer.

“Prayer unites us; it makes us brothers and sisters. It is in prayer that our hearts find the strength not to be cold and insensitive in the face of injustice. In prayer, God keeps calling us, opening our hearts to charity.”

Pope Francis

During the season of Lent, students will be reflecting on different types of prayer and ways to pray in order to prepare them for the sacrifice made on Good Friday and the celebration of the Resurrection at Easter. We encourage all, students, parents, staff and parishes to send in their prayers to chaplain@st-josephs.slough.sch.uk so over the course of Lent and throughout the whole year we can come together as a school community to pray for our intentions and allow us all to deepen our relationship with God.

ADMINISTERING PARACETAMOL – CONSENT REQUIRED

With regard to paracetamol, the school office hold a supply to be administered for the relief of headaches, migraine, neuralgia, and rheumatic aches and pains.

We are asking parents to provide the school with written consent for the administering of paracetamol. Holding this information will enhance the current system we have in place for first aid, and will enable us to deliver a faster, more efficient provision.

The school will only administer with written consent from you giving us permission to do so. Pupils are **NOT** allowed to carry their own paracetamol. If paracetamol is administered at any time during the school day we will inform the parent/carer of the time of administration and dosage. We ask all students to only ask for or take paracetamol in a responsible way.

Paracetamol will only be administered as a last resort. A first aider will assess if paracetamol is required and will ensure it is administered in their presence. Students will be prompted to tell a member of staff if they have already taken any that day.

Dosage

The tablets we hold contain 500mg of paracetamol. Tablets are for oral use, swallowed with a drink of water. Children 16 years and over take one or two tablets up to 4 times a day. Children 10 – 15 years of age take one tablet up to 4 times a day.

Conditions of Use

Consent recorded on ParentPay is valid for 7 years from the date provided, or for the period of time your child attends this school. The consent will automatically expire after this time.

PROVIDE CONSENT ON PARENTPAY

Please can we ask you to login to your ParentPay account and provide consent, granting the school permission for your son or daughter to be given paracetamol when required.

If you do not wish to give the school consent to administer paracetamol please contact office@st-josephs.slough.sch.uk.

Year 9 Meningitis ACWY & Td/IPV Immunisations

The Berkshire Immunisation Service will be visiting St Josephs on 12th March 2024 for the Year 9 Meningitis ACWY & Td/IPV Immunisations.

Parent/carers are required to complete a consent form as soon as possible if you would like your child to receive their vaccination at school. If parents/carers do not wish for their child to be vaccinated, please advise them to complete the form as a non-consent. The consent letter is a separate attachment along with the newsletter.

Year 7 News

It feels like just yesterday we came back from Christmas Holidays but just a gentle reminder we will be off for Half Term from 3.15pm next Friday. When we return there second reports will be released to you at the start of March.

If you have any questions or queries then please let me know

Have a lovely weekend all!

Mr Cooper-Santo – Head of Year 7

Year 9 News

Thank you for your attendance at Parents Evening yesterday, I hope your teacher's feedback will be helpful and insightful for the next steps towards picking your GCSEs. Next Thursday will be CIAG evening where information will be given on the GCSE options process, please make sure you attend. Timings for the evening is 5-7 pm.

Year 9 News – Peer Productions

We are delighted to be hosting Peer Productions Theatre Company at St Joseph's on 29th Feb with a production of their play Masking, as part of our Health and Wellbeing programme. Founded in 2006, Peer Productions is a pioneering arts charity specialising in peer education through theatre. Their plays are developed with and performed by DBS checked young actors (aged 18 to 24 years), and they use a mixture of humour and hard-hitting drama to educate young audiences about important social and health issues. Masking is a play by Peer Productions' Artistic Director Nina Lemon designed to address the impact of modern life on teenagers' mental health.

Ultimately, the play asks young audiences to consider how they can build connections and find joy in this uncertain world as well as how they can know when they need to ask for help. If you would like to discuss the production or withdraw your child from this session, please contact Mrs Ossei-Brainoo on j.ossei-brainoo@st-josephs.slough.sch.uk.

Year 10 Football News

The year 10 football team travelled to Reading to start their County Cup campaign. A tough and physical Waingels squad faced St Josephs who unfortunately lost the battle. Conceding 5 goals and only scoring 2.

The score line doesn't represent the performance and physical battle the team went through, showing great desire and resilience to keep working. Although the score line doesn't suggest, the game was extremely even. A couple of bounces of the ball falling St Josephs way, the score line could quite easily have flipped.

Excellent performance throughout. **Goals Zac x2 Man of the Match: Zac**

Year 11 News

Good Luck to all of Year 11 who are sitting their next round of PPE's beginning next week, make sure you work hard and revise for all of your subjects.

Take the time to get a good night's sleep, eat breakfast and stay hydrated. Interventions will not take place when the PPE's are on. They will commence again after the PPE's (more information nearer the time)

Have a great weekend!

Mrs Dunleavy – Head of Year 11

Year 7 Bowling Event

On Monday a group of students went to Salt Hill Activity Centre for a bowling competition.

St Joseph's finished 2nd out of 6 schools with 2 students getting over 100 points!

Well done to Gianina, Luca, Che and Ben.

World Book Day!

World book day at St Joseph's will be celebrated on Monday the **4th of March**. More details will be released soon but we will have our usual book character 'dress up' competition and a talk by author Matt Dickenson. I will put information in form time next week as well as more information in next week's newsletter.

PPE 2 begins on the 5th February

Year 11 and 13 students (as well as some Year 12 students) will begin their PPEs on Monday – continuing until the 1st of March. Please see the updated timetable (there are some small changes to length of exams and locations).

Exam clashes

Where students have an exam clash, they will automatically be placed into the catch up session on the timetable. Our Exams Officer will get in touch with the students as to which exam they will sit in which of the two catch up sessions (these are on the timetable already).

I wish all of our students sitting exams the very best of luck!

Solution to last Week's Puzzler

- A Let the small sides of each triangle have length r . This is also the side of the original square. The longer side of each triangle is $\sqrt{2}r$, since that is the diagonal of the square. Hence the perimeters of shapes P, Q, R are $(2 + 3\sqrt{2})r$, $(6 + \sqrt{2})r$ and $(4 + 3\sqrt{2})r$ respectively. Now $6 + \sqrt{2} - (2 + 3\sqrt{2}) = 4 - 2\sqrt{2} = 2(2 - \sqrt{2})$, which is greater than zero. Therefore the perimeter of P is less than the perimeter of Q. Also, $4 + 3\sqrt{2} - (6 + \sqrt{2}) = 2\sqrt{2} - 2 = 2(\sqrt{2} - 1)$, which is also greater than 0. Therefore the perimeter of Q is less than the perimeter of R. Hence, in ascending order, the lengths of the perimeters are P, Q, R.

Solution to the Break time Teaser:

- E In ascending order, the first factors of 240 are 1, 2, 3, 4, 5, 6, 8, 10, 12, 15, 16, 20. So the first numbers on Kai's list are 7, 9, 11, 13, 14, 17, 18, 19. Hence the sixth number on the list is 17.

Puzzler of the week

The equilateral triangle and regular hexagon shown have perimeters of the same length.

What is the ratio of the area of the triangle to the area of the hexagon?

- A 5 : 6 B 4 : 5 C 3 : 4 D 2 : 3 E 1 : 1

Break time Teaser:

The sum of two numbers a and b is 7 and the difference between them is 2. What is the value of $a \times b$?

- A $8\frac{1}{2}$ B $9\frac{1}{2}$ C $10\frac{1}{2}$ D $11\frac{1}{2}$ E $12\frac{1}{2}$
