

Eloquent and Truthful

Jesus said: 'I am the Way, the Truth and the Life. No one can come to the Father except through me. If you know me, you know my Father too. From this moment you know him and have seen him.' John 14:6

Eloquence – the ability to articulate clearly what we believe and feel and to do so in a way that, with integrity, engages and persuades others. But eloquence must be used in a **truthful way** – to speak truth about myself, about others, about God and the world around us. Education is the search for truth and the eloquent articulation of what we discover.
