Theme of the Week – Jesus the Way, the Truth and the Life

Our Gospel is part of the long discourse Jesus addressed to his disciples on the last night before his passion. Even though he had never hidden the fact that he was going to die on the cross, they still hoped until the very end that something would happen to prevent it. When Jesus told them that the hour had come, they were understandably disheartened and sad. This is why Jesus consoles them with some of the most beautiful words in the Gospels. “Do not be troubled (or better ‘agitated’ like a boat in rough sea)...trust in God and in me...in my Father’s house there are many rooms”.

When we hear these words, most of us imagine a white castle in heaven with nice en-suite rooms with names on each door. This is not what Jesus meant. In the Old Testament the “House of the Father” was the Temple of Jerusalem, but one day Jesus went in and said that this temple made of stones would soon be destroyed, and that the New Temple, the real Father’s House, was Jesus himself (John 2:19-20 *Jesus answered them, “Destroy this temple, and I will raise it again in three days.” They replied, “It has taken forty-six years to build this temple, and you are going to raise it in three days?” But the temple he had spoken of was his body*). **JESUS IS THE HOUSE OF THE FATHER, he is the only temple through which all can offer sacrifices of praise to God, and in this house there is a place for all those who want to be there.** Jesus also says that he is going to **PREPARE A PLACE** for us. What place? **THE CROSS, intended not so much as suffering, but as donated life.** Jesus went before us to give his life for the life of others, thus showing us where we need to follow him, to the **CROSS**, the miracle of a life spent for love.

Thomas too hearing these words imagines a physical place and asks for directions to get there, to which Jesus replies: ***I am the WAY, the TRUTH, and the LIFE.***

Jesus is the **WAY** that leads to the Father through his Word. He opens our hearts and prepares us to journey through the cross to the Father. Interestingly the first Christians in Antioch were known as the “**People of the Way**”. He is the **TRUTH**, because he shows us the true face of God. Sometimes we put on God different masks to suit the way we imagine him: an angry, judging god, an indifferent god, a permissive god who condones sin etc. Jesus shows the real face of God who is love, forgiveness and embrace IF we come to him with sincere hearts. (SINCERE come from the Latin *sine cera* = ‘without wax’. When Roman builders cut a block of marble for construction, sometimes cracks or holes in the stone appeared. These were then filled with wax and painted over. **Sincere** therefore means that we show ourselves to God and one another for who we are, without trying to cover our defects and cracks).

In our society we either dismiss the idea of sin as something of the past and not in line with modern life (I’ve got to be free, I’ve got to be ME and do MY thing!), or we focus on it so much that we bring ourselves down in a vicious circle of guilt. What is God’s take on it? Here’s what the book of Wisdom (11:23-24) says: *You overlook men’s sins so that they may repent, for you love everything that exists and abhor nothing that you have created.*

Do you, like Philip, want to see what this loving God is like? **LOOK AT JESUS CHRIST!**

Jesus is also the **LIFE** because only in him we have a life of such quality that even biological death will not be able to extinguish it. A life free from fear and anxiety, a life of perfect fulfilment and peace.

Those who believe in him will be able **to do the same works Jesus did and more.** What are these works? We think straightaway of miracles and things that make people say “wow!” but, actually, the works he performed were: healing, forgiveness, reconciliation, restitution of dignity to the poor and discriminated, care for those in need...and ultimately, the giving of his life for his brethren’s sake.

We too, if we believe in him and his word, will be inwardly transformed and be able to follow him to the donation of ourselves. We will not only be freed from that fear and agitation that we so often experience, but also be empowered to be “little Christs” to all those around us. St Theresa of Calcutta was once asked how she managed to convert the thousands of people she collected from the dirty city streets. She replied that when she was taking care of the sick she would ask them whether they wanted to hear about Jesus. They often asked: *Is this Jesus like you?* To which she would reply: *No, **but I try to be like Him.*** This was sufficient to make them desire to be Christians; they saw the love of Christ in her and wanted to be his!

All we have to do is to allow Christ to shine in us to be able to do the same works that he did!

Jesus the Way, the Truth and the Life

Weekly Reflections
7th May 2023

From the Gospel according to John (15:1-12)

Jesus said to his disciples:

'Do not let your hearts be troubled. Trust in God still, and trust in me. There are many rooms in my Father's house; if there were not, I should have told you. I am going now to prepare a place for you, and after I have gone and prepared you a place, I shall return to take you with me; so that where I am you may be too.

You know the way to the place where I am going.'

Thomas said, 'Lord, we do not know where you are going, so how can we know the way?' Jesus said:

'I am the Way, the Truth and the Life.

No one can come to the Father except through me.

If you know me, you know my Father too.

From this moment you know him and have seen him.'

Philip said, 'Lord, let us see the Father and then we shall be satisfied.' 'Have I been with you all this time, Philip,' said Jesus to him 'and you still do not know me?

'To have seen me is to have seen the Father, so how can you say, "Let us see the Father"?

Do you not believe that I am in the Father and the Father is in me? The words I say to you I do not speak as from myself: it is the Father, living in me, who is doing this work.

You must believe me when I say that I am in the Father and the Father is in me; believe it on the evidence of this work, if for no other reason. I tell you most solemnly,

whoever believes in me will perform the same works as I do myself, he will perform even greater works, because I am going to the Father.'

Prayer for the Week

Risen Christ, your wounds declare your love for the world and the wonder of your risen life: give us compassion and courage to risk ourselves for those we serve, to the glory of God the Father. Amen.

Saint of the Week

St John of Ávila (1499-1569)
Patron of Andalusia, Spain

John was one of the most charismatic preachers of 16th-century Spain. Descendant of a family of converted Jews, he became a lawyer, philosopher and theologian, before being ordained a priest. He was convinced that the Church needed reform and to detach itself from the love of worldly goods. The Archbishop of Seville persuaded him to abandon his original plan of going to Mexico as a missionary, and instead preach across Spain. His sermons attracted crowds of thousands, as people were drawn by the passion of his preaching and his mysticism. John is a wonderful example of learning at the service of the Gospel. He was

LEARNED & WISE

Day 1

In our Gospel Jesus addresses his friends the night before his trial and execution. They are aware of what is going to happen and are 'troubled', so much so that Jesus feels the need to console them. Put yourself in their shoes for a moment.

- What do you think their feelings might have been as they were about to lose their master and friend?

Day 2

Jesus mentions the House of the Father, where there are many rooms, and that he has gone to prepare a place for us, that we may be wherever he is.

- What do you think this House of the Father is?
- How has Jesus prepared a place for us?

Day 3

Jesus claims to be the **WAY**, the **TRUTH** and the **LIFE**.

- What do you think each of these words mean?

TVLP Make a Difference Environmental Day

On Wednesday 3rd May, 15 students from Year 10 took part in the TVLP Make a Difference Environmental day. The day begun with students listening and engaging in talks with Adam Flint, who is the educational director for Eco-Schools, and Kate Merry from the Butterfly Conservation. The students were given plenty of ideas during these talks which allowed them to proactively engage with students from other schools to brainstorm ideas for how our school could become more sustainable. Our students did us proud and worked well with others from: Hershel, Lynch Hill, Eton College and Holyport College to create some brilliant ideas! All of our students then got up to present their ideas in front of a large crowd and presented great academic courage and oracy. Well done to all involved and we look forward to implementing your great ideas to make our school more sustainable!

TVLP Environmental Event

See fantastic photo of a small group of our students, specifically Kacper Goraj , Grace Hall Orourke and Aedan Sharp who presented great ideas on eco schools at Eton.

Word of the Week

‘Occur’. This is a verb that means ‘to happen’ or ‘take place’. It can also describe a thought or an idea coming to your mind.

Example: “When does the meeting occur?”

OR

“It didn’t occur to me that the Union Flag is a combination of the English, Scottish and Northern Irish flag”

Idiom of the Week

"It's raining cats and dogs". This idiom means to rain very heavily.

Example: I got soaked at King Charles’ coronation last weekend. It was raining cats and dogs!

Developed in partnership with young people from a range of schools, this frank and inclusive, large scale 90-minute production addresses the questions young people really want answered.

The play includes stories which explore:

Year 12 Work Experience

Last week, Year 12 spent two days working with local business leaders, gaining critical work experience insight to prepare them for the world of work. On Tuesday they met with business leaders and worked through a number of work-based scenarios and on Wednesday the students attended a conference at Windsor Racecourse, where they worked on their CVs, interview skills, personal branding and

networked with local business leaders (such as those from Aston Bond, O2, DHL and Mars). The students were excellent and the leaders commented on how impressed they were with their engagement and insight.

A big well done!

Music New- Eurovision Contest

It is once again time for my personal favourite week (and day) of the year- it's Eurovision Song Contest week! This year's contest holds special significance for our country as for the first time since 1998, It's being held in the UK!

In the music department I have created a display board giving more information about this year's contest. For the students, some of the country information flags have a green box that says, 'QUESTION TIME!!!'. In the box is a music related question that applies to the country the box is in. If they can answer the question correctly by saying the answer to myself, they will earn a positive point! There are 4 of these in total to have a go at.

Additionally, all Year 7, 8 and 9 Music lessons next week will have a Eurovision focus (in addition to their regular lesson content) to promote the contest.

These are the dates of the various shows and when/where they can be watched:

- Semi Final 1- Tuesday 9th May, 8PM, BBC 1
- Semi Final 2- Thursday 11th May, 8PM, BBC 1
- Grand Final- Saturday 13th May, 8PM, BBC 1

Hope you are able to tune in and GO UK!!

Solution to last Week's Puzzler

- A** Let the length of the side of the square be $2x$ cm. Then, using Pythagoras' Theorem in the triangle shown, $(2x)^2 + x^2 = 1^2$. So $4x^2 + x^2 = 1$. Therefore $x^2 = \frac{1}{5}$ and the area of the square is $4x^2 \text{ cm}^2 = \frac{4}{5} \text{ cm}^2$.

Solution to the Break time Teaser:

- D** Consider options B to E: $1.354\dot{2} = 1.354222 \dots$; $1.354\dot{2} = 1.35424242 \dots$; $1.354\dot{2} = 1.3542542 \dots$; $1.354\dot{2} = 1.35423542 \dots$. These are all greater than 1.3542 , so option A is not correct. The other four options have the same units digit and the first four digits after the decimal point are the same in all. So the largest option is that which has the largest digit five places after the decimal point and this is $1.354\dot{2}$.

Problem of the week

The diagram shows a regular hexagon which has been divided into six regions by three of its diagonals. Two of these regions have been shaded. The total shaded area is 20 cm^2 .

What is the area of the hexagon?

- A 40 cm^2 B 48 cm^2 C 52 cm^2 D 54 cm^2 E 60 cm^2

Break time Teaser:

The adult human body has 206 bones. Each foot has 26 bones.

Approximately what fraction of the number of bones in the human body is found in one foot?

- A $\frac{1}{6}$ B $\frac{1}{8}$ C $\frac{1}{10}$ D $\frac{1}{12}$ E $\frac{1}{20}$

Send your answers to Mr Allinson. Complete answers will get positive points on Class Charts.

Tips to Improve Language Skills

1. **Create the need:** If kids do not have the need to speak the language, then why will they? Whether it be to talk to someone, or to play a certain activity or game, there must be a good reason for them to be **motivated** to use the language.
2. **Make One on One Time Priority:** Spend as much time together where possible, one on one. By spending one on one time where you are speaking **ONLY** your language, there will be less distractions.
3. **Talk a lot in the target language:** This seems obvious, but talk as much as you can with your child every day, and **encourage them to speak back with you.**
4. **Read aloud to your child every day:** I cannot stress enough the importance of reading to your child every single day. Whether it is with their bedtime routine, or just throughout the day randomly, installing a love of reading is one of the best things you can do for your children.
5. **Buy them gifts to help their language development:** For birthdays, or Christmas, buy your kids language learning gifts. Things such as books in the minority language, or puzzles and games that encourage them to talk and use the language.

Language Apps

Below you can find a list of the language apps with a variety of languages:

1. **Learn languages with Amy** is a new and exciting language app for kids who are learning English, Spanish, Polish, Dutch or Esperanto.
2. **Gus on the Go:** is a fantastic easy to use language app for young people.
