Baptism

Weekly Reflections
11th January 2025
1st Week in Ordinary Time

From the Gospel of Matthew (3: 13-17)

At that time: Jesus came from Galilee to the Jordan to John, to be baptised by him. John would have prevented him, saying, 'I need to be baptised by you, and do you come to me?' But Jesus answered him, 'Let it be so now, for thus it is fitting for us to fulfil all righteousness.' Then he consented. And when Jesus was baptised, immediately he went up from the water, and behold, the heavens were opened to him, and he saw the Spirit of God descending like a dove and coming to rest on him; and behold, a voice from heaven said, 'This is my beloved Son, with whom I am well pleased.'

Prayer for the Week

God of love,

We praise you for allowing us to be like Jesus and be baptized with the Holy Spirit. We praise you for the Holy Spirit's continuing presence with us now, nurturing our faith, calling us to service and filling us with joy.

Through Christ our Lord
Amen

Day 1

Can you name the seven Sacraments of the Church?
What did Jesus receive when Baptized in the River Jordan?
What did this allow Jesus to do?

Day 2

What does the word Baptism mean?
If baptized, why do you think your parents did so when you were only a baby? What does this show about you and your parents?

Day 3

How can you be more **Active** and **Curious** in showing Jesus, the Son of God, to others you encounter this week?

Theme of the Week – Baptism

On Sunday, we celebrated the feast of the Baptism of the Lord. Baptism is the first of seven Sacraments within the Church. The Gospel reading is one we may be very familiar with especially at this time of year. Jesus is with John the Baptist and John is baptizing Jesus in the river Jordan. We hear from God when the Heavens open and the Holy Spirit is seen in the form of a dove that descends down on Jesus. This moment, the moment the Holy Spirit descends upon Jesus, is the significance of Baptism. Baptism for Jesus, as it is for us, is the receiving of the Holy Spirit. And when Jesus received the Holy Spirit, He then went forth in his work and teaching, to preach to the world that He was and is the Son of God. And when we are baptized, we too have that same mission of preaching the Good News and proclaiming Jesus as the Son of God.

Let us reflect on that moment as Jesus is baptized "And when Jesus was baptised, immediately he went up from the water, and behold, the heavens were opened to him, and he saw the Spirit of God descending like a dove and coming to rest on him; and behold, a voice from heaven said, 'This is my beloved Son, with whom I am well pleased.'" Baptism signals a renewal of the relationship between God and all who are baptized. Jesus was baptized as a sign of his obedience and compliance with the will of God. The readings from Sunday are full of symbolism as is our own baptism about the renewed relationship God is allowing to end our separation. The word baptism comes from a Greek word meaning 'to plunge'. The first Christians were baptised by being plunged into running streams or rivers, following the practice of John. Later, large fonts were built in churches and baptism of the faithful took place.

This gospel reading, 'The feast of the Baptism of the Lord', ends the season of Christmas. This feast retells the beginning of Jesus' ministry. And at our own Baptism there are many symbols used to reflect this ministry. Immersion in water symbolises not only death and purification, but also regeneration and renewal. The white garment worn represents the new life in Christ; the oil used symbolises the anointing into the ministry of Jesus – priest, prophet and king. The lit candle given represents the light of Christ in our lives. As we consider the privileges and responsibilities of our own baptism this week, let us reflect on our own sense of being set apart and chosen by God. Let us consider what it means to be baptised. How can you this week be more **Active** and **Curious** like Jesus was after receiving the Holy Spirit? How in your ministry can you proclaim Jesus as Son of God and shows acts of kindness like Jesus showed us?

Year 7 News

Welcome Back to all! Hope that everyone had a lovely Christmas and Happy New Year! Year 7 have had a great first week back, it was lovely to hear all of the great stories of the wonderful times they had over the break.

Please be aware that a letter and a ParentPay notification should be coming through shortly. This will be regarding Year 7 Parents Evening on the 26th of March. All Parents/Students are expected to attend, please do confirm attendance via ParentPay once the event is live.

Have a lovely weekend

Mr Cooper-Santos – Head of Year 7

Year 8 News

I would like to Welcome all Year 8 students back after the Christmas break and hope they are ready for the term ahead. It has been positive to see students returning to school and settling back into routines.

As the term begins, I would like to remind parents and students of the importance of completing homework consistently and to a high standard. Homework in Year 8 plays a key role in reinforcing classroom learning, developing independent study skills, and preparing students for future academic demands. I appreciate your support in encouraging good organisation, regular revision, and meeting deadlines.

Have a good weekend!

Mrs Viegas - Head of Year 8

Year 9 News

I would like to warmly welcome all Year 9 students and families back for the Spring Term and hope you had an enjoyable and restful festive break.

The **Careers, Information and Guidance (CIAG) Evening will take place on 22 January**, this is important for information about option choices next year for GCSE's. Please could you confirm your attendance on Parent pay as soon as possible. This will then be followed by **Year 9 Parents' Evening on 5 February**. It is an expectation that all students and parents/careers to attend these important events.

I would also like to make parents aware that there has been an increase in homework-related negatives. Please support your child by ensuring that all homework is completed and up to date, as this is essential to their progress and success.

Look after your loved ones,

Kind regards

Mr Hunt – Head of Year 9

Year 10 News

Welcome back! It's great to have everyone in after a restful break.

Academic Review Day: We had many productive conversations and clear targets - thank you to all who attended. If you were unable to make it, your child's form tutor will be in touch to arrange a phone call or meeting so we can agree next steps.

Homework & ClassCharts: Please continue to check ClassCharts with your child to track homework and deadlines. This helps keep **XH's** to a minimum and ensures students stay on top of their learning.

Have a great weekend.

Mr Whiteside - Head of Year 10

Year 11 News

Welcome back! Hope you all had a lovely Christmas and New Year! Well done to all Year 11 students for your maturity and focus towards your PPEs this week.

Next week, we will resume the PPEs, so please ensure you are fully prepared. Use this time wisely to review your notes and strengthen any areas you feel less confident in.

Exciting news...at the start of next week, look out for a link on ClassCharts to order your Leavers' Hoodies this is a great way to celebrate your journey through Year 11!

Have a lovely weekend

Miss Joseph- Head of Year 11

Year 12 News

It was lovely to see the Year 12 students return from the Christmas holidays with great enthusiasm and continue the great work they had started last term. I want to wish you all a very happy new year and I hope you and your families had a wonderful time over the break.

All students should now have received their report card and know their areas of development moving forward. I would encourage you to discuss your child's progress at home and if there are any concerns then please do get in touch with subject teachers or myself and we will do our very best to support you.

Students who sat their resist GCSE examinations in English and Maths in November will receive their results this week.

Have a fantastic weekend,

Mrs Finn – Head of Year 12

Year 13 News

It was a pleasure to welcome Year 13 students back after the Christmas holidays and I would like to take this opportunity to wish you all a very happy new year!

The PPE exams have started this week and so far the students have conducted themselves well. These exams are important for the students as it is their opportunity to assess their progress so far and identify any gaps in their knowledge before they sit their real exams in the summer. If you are wondering how you can support your child at home then some top tips include; asking them how their revision is progressing, ensuring they access to a distraction free study area at home and quizzing them on their subject content.

Just a reminder that for any student wishing to apply for university, the UCAS deadline is 14th January at 6pm. We have asked the students to ensure applications are completed by this Friday 9th January to allow time for them to be checked before we send them off.

I hope you all have a lovely weekend!

Mrs Finn – Head of Sixth Form

Students of the Week

Year 7: Alicia Ivanova & Luis Guce for excellent starts to the new term!

Year 8: Hollie Thynne & Nathan Daniels for excellent starts to the new term.

Year 9: Daniel Celorico-Jones & Ciara Croxford-Shalloe

Year 10: Bruno Valek and James Rossiter for a lot of positive points this first week back.

Year 11: All Year 11 students are our Students of the Week as they complete their exams this week.

Year 12: Peace Mukozho and Mia Ramananthan for earning the most positive points this week.

Year 13: Ava Mae Marshall and Miguel De Jesus for having a great start to the term.

Pre Public Examinations

Dear Parents/Carers,

We hope you are well. We would like to inform you that the PPE (Preparatory Placement Examination) period has now begun, and there will be some temporary changes to students' daily schedules.

What to expect:

- **Later dismissal times:** Some students who are sitting exams may finish school slightly later than their usual dismissal time. Students not sitting exams will follow their normal schedule.

- **Student support:** Our teachers and staff are working hard to support students academically and emotionally during this important period.

How parents can support exam preparation at home:

- Encourage your child to revise a little each day.
- Ensure they get enough sleep and eat regular, healthy meals.
- Provide a quiet space for study and revision.
- Offer reassurance and positive encouragement to help reduce exam stress.
- Remind your child to arrive at school on time with the correct equipment and transparent water bottles.

We understand that changes to routines can be challenging, and we thank you for your patience and cooperation during this important time.

Kind regards,

Ms Dar

Spanish Trip

Dear Parents and Guardians,

We would like to invite you to a meeting to discuss the upcoming school trip to Spain. During the meeting, we will go over the itinerary, travel arrangements, accommodation, safety measures, and answer any questions you may have. Your attendance is important to ensure you have all the necessary information and feel confident about the trip. Please, ensure you bring both **passport and EHIC/GHIC cards** as copies of these need to be taken.

Date: 13/01

Time: 16:15

Location: Main Hall

We look forward to seeing you there.

Kind regards,

Ms Toro Sánchez - Head of MFL

EAL NEWS
(English as an Additional Language)

Welcome to Spring Term 1!

Happy New Year! We hope you had a wonderful holiday season and are excited to start the Spring Term with renewed energy and focus. At St Joseph's, we are dedicated to supporting your child's learning journey, and we greatly value the partnership we have with you in helping them achieve their full potential.

Our Focus This Term

This term, we are concentrating on helping students improve their skills in reading, writing, and speaking English, while also ensuring they feel confident and supported in their subject studies. We will be emphasizing vocabulary building, exam preparation strategies, and ways to engage in classroom discussions.

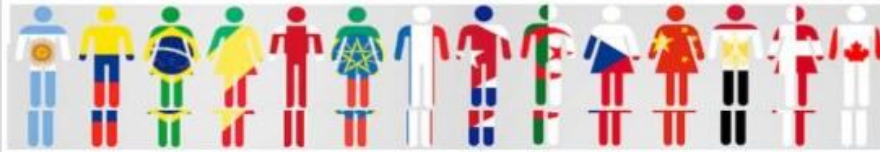

How You Can Support Your Child at Home

Your involvement plays a vital role in your child's progress. Here are some ways you can support their learning at home:

- 1. Encourage Reading in English**
Set aside time for your child to read every day, whether it's a school textbook, a storybook, or online articles.
- 4. Stay Involved with Homework**
Check your child's homework schedule on the journal or ClassChat and ask them to explain what they're working on in their own words. Reach out to their teachers if you need clarity on assignments or extra support resources.
- 5. Support Exam Preparation**
Encourage regular revision by reviewing class notes and practice questions. Help them manage their time and set achievable study goals each week.

We look forward to a successful and productive term ahead. Together, we can ensure your child is confident, happy, and achieving their best.

Thank you for your continued support!

Geography Club

To celebrate the end of term, students took part in a lively **Christmas Geography Quiz**, putting their global knowledge to the test in a fun and festive way. The quiz included a variety of exciting rounds that challenged students to think carefully and work as a team.

In the *Country Catch Phrase* round, students matched well-known clues to the correct countries. They were also asked to work out which country Father Christmas was in, using geographical hints to guide them. The final round tested their knowledge of the world even further by asking students to name the capitals of different countries.

All students participated enthusiastically, making the competition both challenging and enjoyable. Congratulations to Denis Puidokas, Igor Ostrowski and Domas Puidokas, who were crowned the winners after an impressive performance throughout the quiz.

I Can do Maths

Solution to last Week's Puzzler

D Let PQ have length $4x$. Then, as $\tan \angle QPR = \frac{3}{2}$, QR has length $6x$. Therefore, as S is the midpoint of side QR , QS has length $3x$. By Pythagoras' Theorem in triangle PQS , $PS^2 = PQ^2 + QS^2 = (4x)^2 + (3x)^2 = 16x^2 + 9x^2 = 25x^2$. Hence $PS = \sqrt{25x^2} = 5x$. So $\sin \angle QPS = \frac{QS}{PS} = \frac{3x}{5x} = \frac{3}{5}$.

Solution to the Break-time Teaser:

- E Note that $1001 = 7 \times 143$, so that any six-digit number of the form 'XYZ XYZ' = $1001 \times \text{'XYZ'}$ is necessarily a multiple of 7. So options A and D are both multiples of 7. Also, $10101 = 7 \times 1443$, so that any six-digit number of the form 'XYX YXY' = $10101 \times \text{'XY'}$ is necessarily a multiple of 7. So options B and C are both multiples of 7. However, $\text{'PPP QQQ'} = 111 \times (1000P + Q) = 3 \times 37 \times (1000P + Q)$ is not necessarily a multiple of 7. For example, when $P = 1$ and $Q = 2$, $1000P + Q = 1002 = 143 \times 7 + 1$.

How many goats did she sell?
