Each student will take **three** subjects unless they are taking a maths or science subject in which case they will choose a **fourth**.

It is compulsory to take the **Extended Project Qualification** (unless the student takes Philosophy & Ethics). As an addition, each student may also choose to study **Core Maths**, which is a one year course taken in Year 12 (please indicate this below).

All grade choices are subject to our entry requirements and availability in terms of their blocking.
